£3.5 Million Awaits Mystery Bedford Lotto Winner

National Lottery players in the Bedford area are being urged to check and double-check their old Lotto tickets as someone is sitting on an amazing £3,570,063 jackpot prize and may not even know it.

The search is now on to locate the owner of the winning ticket who matched all six numbers in the Lotto draw on Saturday 11 March 2006 – the winning numbers for that draw were 4, 9, 13, 29, 31, and 36. The lucky ticket-holder has until 5.30pm on 7 September 2006 to come forward and make their claim.

If no-one comes forward with the winning ticket before the prize claim deadline, then the prize money, plus all the interest generated, will go to the Good Causes – adding to the £18 billion already raised through sales of lottery tickets over the last 11 years.

A National Lottery spokesperson said: “We are desperate to find this ticket-holder and unite them with their winnings. This life-changing amount of money could really help make someone’s dreams a reality. We are urging everyone to check their tickets again and look in the pockets of their winter coats, in their wallets, in bags and down the back of the sofa – someone out there could literally be sitting on a fortune! We have the champagne on ice and our fingers crossed!”

To jog Lotto players’ memories, on 11 March 2006, *The World’s Fastest Indian* starring Anthony Hopkins had just opened at the cinema – while Chico was topping the charts with *Chico Time*. Closer to home, Bedford Football Club fans were contemplating their recent 5-1 defeat away to Cirencester in the Southern Premier Football League, while visitors to Bedford Museum were enjoying *A Stitch in Time*, an exhibition to celebrate the Embroiders Guild Centenary Year.
