Days Left As Local Lotto Win Remains Unclaimed

The clock is now ticking for a mystery local Lotto winner in the Oswestry and Wrexham areas, who has only one week left to claim an outstanding Lotto prize of £58,693.

With time running out, the search is really on to find the owner of the winning Lotto ticket, who matched five numbers plus the bonus ball on Saturday 3 November 2007. The winning Lotto numbers on that date were 3, 10, 22, 25, 31, 49 and the bonus ball was 4. With just a week to go, National Lottery players are being urged to check and double-check their tickets for the chance to claim this life-enhancing prize in time. The lucky ticket-holder only has until 5.30pm on Thursday 1 May 2008 to come forward to make their claim.

If no-one comes forward with the winning ticket before the prize claim deadline, then the prize money, plus all the interest it has generated, will go to the Good Causes – adding to the £20 billion already raised through sales of lottery tickets since The National Lottery launched in November 1994.

A National Lottery spokesperson said: “Time really is running out for the winner of this prize, but we are still hopeful that someone will come forward at the last minute to claim the money. We’re urging everyone to check their old tickets again or look anywhere a missing Lotto ticket could be hiding. This life-enhancing prize could really help to make a few dreams become a reality for someone out there.”

With all National Lottery draws, players have 180 days from the day of the draw to claim their prize if they have the winning ticket. Anyone who believes they have the winning ticket for any of the National Lottery draws within the 180-day deadline should call the **National Lottery Line** on **0845 910 0000**.
