Local Mum Feels ‘Grand’ After Scratchcard Win

A lucky mother-of-two from Haddington is looking forward to enjoying a fantastic year ahead – after she scratched her way to the top prize of £1,000 every week for a year on the National Lottery Scratchcard, Weekly Grand.

Julie Wallace (37) is now looking forward to 52 weeks’ worth of luxurious treats. When it comes to her weekly spending plans for the coming year, although she is still compiling her shopping list, new football boots for her sons and a new sofa are definitely on the cards. After scratching her way to success, Julie was so concerned she would misplace her winning Scratchcard before she had a chance to claim her prize, that she hid it under the carpet to keep it safe.

Julie said: “I can’t believe it! I usually buy the Flamin’ Hot Bingo Scratchcard but the Weekly Grand Scratchcard caught my eye instead – I’m so happy it did.”

National Lottery Scratchcards offer players a whole range of instant cash prizes at their fingertips. With two games to play and the opportunity to win up to eight times on each ticket, the Weekly Grand Scratchcard costs £2 and offers overall odds of 1 in 4.62 of winning a prize. Julie bought her winning Scratchcard from Tesco, Caulders Lawn in Haddington.

Friday’s (20 June 2008) EuroMillions Rollover jackpot is an estimated £34 million, while this Saturday’s (21 June 2008) Lotto jackpot is an estimated £XX million. Every Lotto slip now comes with its own Dream Number, it is up to players to mark ‘yes’ to give their Dream Number its chance of winning up to £500,000, or choose a Lucky Dip®.
