Notes to Editors:

- Under Camelot's operation, The National Lottery generates over £30 million each week for National Lottery-funded projects. In total, over £43 billion has now been raised and more than 635,000 individual grants have been made across the UK – the equivalent of around 225 lottery grants in every UK postcode district.
- The National Lottery has so far given away over £80 billion in prizes and created more than 6,100 millionaires or multi-millionaires since its launch in 1994.
- Camelot runs one of the most efficient major lotteries in Europe, with around 4% of total revenue spent on operating costs.

- Camelot is committed to the highest standards in player protection and social responsibility in both the retail and interactive environments. The National Lottery website has been accredited by GamCare, the UK's national centre for information, advice and practical help regarding the social impact of gambling – while Camelot's approach to game design, test purchasing and retailer vigilance campaigns ensures player protection in retail.
